
PRODUCT INFORMATION FOR PRESERVE MAC FORTE™

Dear Friend,

Thank you for ordering **Preserve Mac Forte™**, and congratulations on making the best decision you can for your ocular health! Customers from around the world have been very happy with this ocular health supplement and we're confident that you will experience the same. Please remember that the rate at which your dry AMD progresses may be reduced by taking Preserve Mac Forte™ on a daily, ongoing basis.

The antioxidants found in **Preserve Mac Forte™** have been shown by the National Eye Institute's Age Related Eye Disease Study (AREDS) to slow the progression of dry AMD. You will have the highest levels of vitamins and minerals in this supplement that will quickly go to work to help ensure your best ocular health, which may reduce vision loss.

You will also have the purest, and most well tested supplement. **Preserve Mac Forte™** goes through a 3 step purification process that ensures you are not only receiving the purest vitamins and minerals in the world, but you are also removing any potential contaminants. We take great pride in providing you with a supplement that is scrutinized, purified, and tested in one of the leading supplement manufacturing laboratories in the United States.

We greatly appreciate your business.

If you have questions or concerns, then please visit our online support help desk at www.RnsHelp.com and click on "start a conversation" in the upper right corner of the page. Or if you prefer to reach us by telephone, please call us at +1-248-397-4101 between 9:00AM and 9:00PM EST Monday-Friday.

Directions:

Preserve Mac Forte™ should be taken twice daily with some food and liquid. The majority of men and women take 4 capsules daily-- 2 in the morning and 2 in the evening. A small percentage of customers take 6 daily-- 3 in the morning and 3 in the evening. It is recommended to start with 4 daily.

Most Sincerely,

Ringold Nutritional Systems
